COMMENTS

Jamii Telecommunications Ltd.

Carolyn Msama, confirmed that Alice Kawira was on attachment during the period stated. The information on the letter provided was confirmed to be correct.

In a letter dated 7<sup>th</sup> September 2015, and signed by Kenneth W. Ombete, the Network Operation Centre Manager, confirmed that Alice Kawira was on internship from 1<sup>st</sup> July 2015 to 30<sup>th</sup> August 2015 as a Network Operation Centre (NOC) Support engineer. She did an excellent job in this position and was an asset to the organization during her tenure with the office. She had excellent written and verbal communication skills, a fast learner, was extremely organized, could work independently and was able to follow through to ensure the job got done.

She was responsible for the following:

- ✓ Network Operation Centre (NOC) services especially online activity monitoring of clients links.
- ✓ Timely detection, troubleshooting and resolution of faults of all network/systems elements.
- ✓ Provisioning of customer network services on core equipment including IP assignment, core network configuration, DNS setup, monitoring and graphing for co-location, leased lines, customer backup and other customer network services.
- ✓ Continuous and proactive monitoring of all networks and systems elements. Including MPLS/SDH network, international and in-country fibre backbone links and GPON triple play network.
- ✓ Tracking and regular reporting of all faults within the network. Provide notification and status updates on outages to all stakeholders.
- ✓ Management and proactive use of all tools provided to ensure high availability and attainment of service levels as per the service level agreements (SLAs).
- ✓ Document all the events that transpire during the shift like fibre cuts that occur, power optimization issues and internal links that go down.
- ✓ Detect, track and resolve alarms from the Network Management System using the trouble tracking systems.
- ✓ Answer incoming telephone calls/tickets to NOC and take action as required.
- ✓ Escalation and reporting of faults within a defined escalation structure in the company to relevant service providers.
- ✓ Initial support on IP configuration for link commissioning and implementation.
- ✓ Supporting customers with online billing and account issues and handling service escalations from the customer service help desk.

Alice was always willing to offer assistance and had an excellent rapport with the many constituents served by the office including clients, employees and other professional organizations. She would be an asset to any employer and Kenneth recommended her for employment.
